Get the support you need

RRD has two Financial Assistance Programs designed to help eligible patients who are prescribed SYLVANT:

Copay Assistance Program

The RRD PS can help eligible patients with treatment costs, such as out-of-pocket, copayments or coinsurance, for patients with commercial health insurance plans. Some patients may be eligible to receive SYLVANT for as little as \$0 per infusion.*

Patient Assistance Program

The RRD PS provides support for eligible patients who have limited access to treatment due to insurance issues and other financial challenges.

*Restrictions, limitations, and/or eligibility requirements apply.

Support in your corner

When you sign up for the Recordati Rare Diseases Patient Solutions (RRD PS), you get access to a dedicated team and a wide range of resources.

Case Managers

Case managers are experienced in helping patients who have been prescribed SYLVANT® (siltuximab) get started on treatment as well as assisting with their insurance-related needs.

Therapeutic Education Managers

Therapeutic Education Managers, or TEMs, are available to provide education about iMCD or SYLVANT. TEMs help raise awareness in the community and host educational events for you and your care team. Talk to your Case Manager to learn more about how to contact a TEM.

Get tools, trackers, and guides to help you on your journey.

SYLVANT Patient Brochure

Have questions about SYLVANT? This online guide can help you find answers as you start your treatment journey.

ACCELERATE Registry Card

Help research efforts by contributing to a confidential database of Castleman disease records.

Patient Enrollment Form

If you've been prescribed SYLVANT, work with your doctor to complete the SYLVANT Enrollment Form and utilize the support services that are available to you.

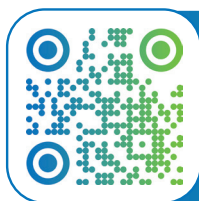

GET STARTED NOW

Download the resources and learn more about SYLVANT on <https://sylvant.com>

You are not alone

Advocacy groups connect physicians, researchers, and patients.

Participate in annual meetings, online forums, patient-led awareness and fundraising events, and connect with others who share a similar experience.
